

## TERMS OF SERVICE

These Terms of Service (or, "TOS") are part of the Contract (defined below) between you and Logic Communications Ltd. (formerly Bermuda Cablevision Limited) and/or Bermuda Digital Communications Ltd. (each doing business under the trade names "One Communications Ltd." and "One") (hereafter referred to as "One") and apply to the extent that they are applicable to your Service(s).

These TOS incorporate any additional terms contained in any paper or online order form for any Service(s), as well as any brochure, user guides, and any other materials incorporated by reference (such as One's Acceptable Use Policy) ("Orders/Materials"). If there is any inconsistency between the TOS and any Orders/Materials, the TOS will prevail. These TOS incorporate any supplemental agreement, installment agreement and/or additional terms ("Supplemental Agreements"). If there is any inconsistency between the TOS and any Supplemental Agreements, the Supplemental Agreements will prevail. The Orders/Materials, the Supplemental Agreements and the TOS are, together, the "Contract".

### ACCEPTANCE, COMMENCEMENT & CHANGES

1. **How do I accept the Contract with One and when does the Contract commence?** The Contract commences and becomes effective on the date that you accept the TOS ("Commencement Date"). You can accept the Contract (i.e. the TOS and the Orders/Materials) (i) by signing these TOS, (ii) by clicking "I AGREE" at the end of the TOS online; or (iii) use of the Services for 30 days will be deemed acceptance of these TOS effective on the date the Services were first used. By accepting the Contract, you are also agreeing to the terms and conditions contained in any Orders/Materials and Supplemental Agreements.

2. **Who can make changes to the Contract and how?** Only One can make changes to the Contract including changes to One's service charges, but (depending on your Service and the plan details) you may be able to add or remove certain features. During any Fixed Service Period, One may change the Contract by giving you at least 30 days advance notice of the change via mail, message on your invoice, e-mail or made available electronically and you will have the right to terminate the Contract at the point of the proposed change without incurring any early termination fees. In the case of your Month-to-Month Service Period, **you will be bound by revised versions of this Contract that we make available to you.** Your continued use of a Service for 30 days will be your acceptance of such change(s). **SERVICES COVERED; UPGRADES**

3. **What is covered by the Contract?** Your use and receipt, of the One Internet, phone, local and long distance voice, wireless phone, data and television services that you order, as well as any related services ("Services") and any additional equipment supplied by One ("One Equipment") (e.g. receivers, modems, etc.). For a list of related services, see [www.Onecomm.bm](http://www.Onecomm.bm). Your Equipment (defined in Section 22) is also covered.

4. **What does One promise regarding the Services?** One agrees to provide the Services to you, subject to the terms of this Contract.

• **Are there any specific terms regarding television services?** Yes. The channels made available to you as of the Commencement Date are set out in your Order. Details regarding packages are available at [www.onecomm.bm](http://www.onecomm.bm). **You acknowledge and agree that the channels and/or programming provided as part of the Services may change (including, being suspended, blacked-out, or cancelled permanently) from time to time without notice. In addition, One may substitute**

**alternative programming and/or channels to replace changed programming/channels. One will use reasonable efforts to provide you with reasonable notice of such cancellations.** The TV Services may also include video on demand and pay per view programming, interactive programming and related personal video services.

• **Blocked Content.** One reserves the right to block content on the Services, including (without limitation) content that One's providers require One to block and content for which One does not hold transmission rights.

• **Are there any specific terms regarding wireless services?** Yes. Service is provided to you for use by you only and is not for resale. One will only accept orders for activating, changing or terminating services from you. Each telephone number can appear in only one wireless handset, mifi, tablet or other device which can connect to One's mobile network ("Device"). You are responsible for making sure that your Device is compatible with the cellular system and current technology in operation. You agree not to use your Device for any unlawful or abusive purpose or in such a way as to create damage, liability or risk to One, its employees, facilities or agents or to the public generally.

• **Availability.** Service may be temporarily refused, interrupted or degraded due to weather, geography, governmental orders, capacity limitations, network modifications, upgrades, repairs or similar activities necessary for the operation of the Service.

• **Roaming.** Roaming services are available where One has roaming agreements with other carriers. Note that even if you are not actively using your Device to make calls or texts, if your Device is turned on and compatible with roaming on a wireless provider with which One has a roaming agreement, it will be roaming and will connect using the services of that wireless provider and roaming charges will be incurred. You are responsible for all roaming charges. Unless you choose to opt out, you will be charged for roaming in accordance with the terms and conditions of One's current roaming product. For more information on roaming and One's current roaming charges, see: <https://onecomm.bm/mobile/carry-on-roaming/>.

### TERM, AUTO-RENEWAL, TERMINATION, SUSPENSION & COOLING-OFF

5. **How long is my Contract with One? How does it renew?** Services are provided to you on an ongoing monthly basis ("Month-to-Month Service Period"), unless when you order the Services you and One agree to a minimum contract period ("Fixed Service Period") for any Service(s). The term of any Service will begin on the Commencement Date, and will expire at the end of the first Month-to-Month Service Period or the Fixed Service Period, as applicable ("Initial Service Period"). Upon expiration of an Initial Service Period, the Service will continue on a Month-to-Month Service Period at One's then-applicable rates, as reasonably communicated to you, unless you cancel the applicable Service or unless One or you terminate this Contract.

6. **How does the Contract or any Service get terminated?** You can terminate the Contract during the Initial Service Period by e-mailing [info@Onecomm.bm](mailto:info@Onecomm.bm) if (a) One has informed you that it is unable to, or will not, connect or provide you with Services; (b) Services are not connected or provided by One within 30 days of entering into the Contract; and/or (c) Services are not connected or provided by One within 30 days of entering into the Contract and you have contacted One for the connection or provision of the Services at an agreed later date and One does not connect or provide the Services by such later date. 7. ***Does a 'cooling-off period' apply to the Contract?*** Yes. If within the first 14 days of the Initial Service Period ("Cooling-Off Period") you decide that you do not want the Services, you may cancel the Contract during the Cooling-Off Period by e-mailing [info@Onecomm.bm](mailto:info@Onecomm.bm) without incurring any charges unless at the time of cancellation you were connected to or provided with the Services, then you will be responsible for the cost of any Equipment, installation costs and the pro-rata costs of the Services at the Contract rate to the date of cancellation, which sums shall become immediately due and payable.

8. ***Are there fees for terminating early?*** Yes. Unless you terminate the Contract in accordance with Section 2 or Sections 6(a) - (c), you must pay an early termination fee for any Service(s) you terminate prior to the end of any Fixed Service Period. The fees are equal to **100% of the total monthly charges for each early terminated Service, multiplied by the number of months left in the Fixed Service Period or as specified in any Supplemental Agreement.**

9. ***Can One disconnect/suspend or terminate my Service(s)?*** One may terminate or immediately suspend or disconnect any Service(s) for any of the following reasons: failure to pay any amounts due, material breach of this Contract, or direction from a lawful authority.

10. ***What are the parties' rights and responsibilities after suspension or termination?*** All outstanding amounts for the affected Service(s) and Equipment including amounts outstanding under a Supplemental Agreement will become immediately due and payable. The parties will provide each other with all assistance reasonably necessary in order to terminate their relationship.

11. ***Does any part of this Contract continue after termination or suspension of the Services?*** Yes. The following sections will continue to survive and remain in effect: Sections 12, 13, 17, and 20 through 35. All accrued obligations and rights of the parties will also survive.

## FEES, PAYMENTS, & PENALTIES

12. ***How does One invoice me? When are payments due?*** Invoicing starts when any Service first becomes available for your use/receipt. For recurring charges, invoices will be monthly in advance. For non-recurring charges, invoices will be monthly in arrears, except that certain non-routine non-recurring charges (e.g. time and materials fees) will be invoiced monthly in arrears. You must pay all amounts due **by the due date stated on the invoice ("Due Date")**.

13. ***What Fees do I have to pay?*** The following "Fees" include but are not limited to: fees for Equipment; one-time fees to install or set-up Services; monthly fees for the Services; overage fees for connect or call time, text messages or data usage volumes over and above any minimums included in the Service, toll and roaming access charges; local television programming fees; disconnection fees; fees on a time and materials basis to fix faults or repairs due to any cause other than One's misconduct or fair wear and tear; and, fees on a time and materials basis or One's minimum call-out charge, if One is called out and no fault is found on the One Equipment. A Government Licence Fee of \$12.00 (or such amount as may be determined from time to time by the Government) for the Government License Fee per mobile line is automatically added to your account each month.

You will be charged the price(s) set-out on your most recent order form(s) for the relevant Service(s). However, the fees for disconnection depend on the circumstances surrounding such disconnection. Please inquire as to the applicable disconnection fees by e-mailing One at [info@Onecomm.bm](mailto:info@Onecomm.bm).

14. ***What penalties and consequences apply for late payment?*** If One doesn't receive your payment by the Due Date, you will be charged **monthly interest of 3%** of the outstanding balance or **a minimum amount of \$5 per month**. If payment is not received by the Due Date because it is rejected, then you must pay late charges and any additional charges (including bank charges) and One may continue your Services only on a pre-paid basis or impose a reasonable credit limit for any usage charges. One may suspend your Services if the credit limit is exceeded.

NOTE FOR ONLINE PAYMENTS: Payments made online take **up to 3 business days to register on Customer's account.**

NOTE FOR MAILED PAYMENTS: If your payment is made by cheque sent in the mail and is not received by the Due Date for any reason, including postal delays, you will be charged a late fee.
